## Class Notes

### Class Divisions:

- Equitation classes 21 & 22 will be divided into separate Junior/YR and Adult Amateur divisions (not open to professionals).
- USDF Intro Level classes 1-3, as well as USEF classes 4-9 (Training Level and First Level) will be divided into separate Junior/YR, Adult Amateur and Open divisions. Open division classes are not split and are open to any competitors (Pros, AA, Jr/YR).
- All other classes, 10-20 and 23-47, will be offered only as Open divisions.

### Ride limits:

A horse-rider combination may enter a maximum of 3 classes including Equitation classes 21 & 22. A rider may bring more than one horse and any horse may be ridden by more than one person, but there will be a maximum of 4 rides per horse at Introductory and Training Levels (including Equitation classes). At First Level and above, a horse may perform a maximum of 3 tests (including Equitation classes). No horse may be ridden twice in the same class and division. Exception: in Test of Choice classes 19 and 20 a horse may perform more than one test in these classes (example class 19: PSG and Intermediate I). Horses may only be shown at two consecutive levels.

## **Class Descriptions:**

- A. **Class 20 Miscellaneous Test of Choice** includes any USEF/USDF/FEI test not already listed (such as freestyles or pas de deux. Note: Prix Caprilli classes are no longer offered). Please contact the secretary prior to sending your entry in to make sure the venue has a suitable sound system for freestyles.
- B. **Classes 21 & 22 Equitation:** *Classical Dressage Seat Equitation:* evaluates the rider's position, seat and specifically the correct and effective use of the aids required by Training and First Level Dressage tests. Movements from those tests may be requested and judged. *Western Equitation:* evaluates the rider's position, seat and specifically the correct use and effective use of the aids. Movements from Basic Level and Level One may be requested and judged. Will be held as a group class similar to the Classical Dressage Seat Equitation class and the WDAA equitation classes will not be offered.
- C. **Class 22-46 Western Dressage.** Horse/rider entries may cross-enter into the English Dressage classes (see cross-entry chart for permissible cross entering - page 9). The entry can only use western tack and attire when warming up for western classes. Approved helmets must be worn at all times including the western classes.
- D. **Class 47 Eventing Test of Choice** rides will be scheduled in the large ring. Cross entry into other dressage classes is permitted as listed in DR119 of the USEF rule book.
- E. **Class 48 Lead Line Class** is open to all competitors age 7 and younger. The class will be held during the lunch break with competitors entering one at a time and riding a short pattern. All participants will enter together at the end of the class to receive ribbons. A "guest judge" will officiate. All riders are required to wear a ASTM/CEI certified helmet, hard-soled shoes and appropriate attire. English or Western tack is permissible. Transition into trot and a few steps of trot work may be required. All competitors in the class must submit entry forms with parent/guardian signatures. The class fee and office fee for this class are waived.

## **FAQ's – NODA Schooling Show**

**\*\* Interpretation of schooling show rules are made by the NODA Board \*\***

### **What is meant by a “schooling” show?**

NODA's schooling show competitions are not recognized by the United States Equestrian Federation (USEF). Schooling shows are held to introduce riders and horses to dressage shows at a considerably lower cost than the Recognized shows. Although NODA does not enforce all the rules that govern the recognized shows, we do follow the USEF rules regarding tack and saddlery. Schooling shows are not required to use “Recognized” judges, but NODA does hire officials who either hold a USEF dressage judge's license or who have graduated from the USDF “L” program.

### **How does being a NODA member benefit me at the NODA shows?**

You save money by paying lower entry fees at every NODA schooling show. Your scores can be used to qualify you for both the NODA Championship Show in October and for NODA year-end awards. Additionally you automatically become a group member in the United States Dressage Federation (USDF). For more information on the benefits of a USDF Group Membership, visit [www.usdf.org](http://www.usdf.org).

### **Can I join NODA the day of a schooling show and make my scores qualify for the Championship Show?**

Yes, but you must submit your membership form to the show secretary before your scores can count as a qualifying rides for the championship.

### **Can I ask for preferences in scheduling my times?**

In order for the show to run smoothly for ALL competitors, no special requests can be granted. Scheduling is done to allow the show to run smoothly. Rides will not be scheduled back to back.

### **What is a NODA Buck?**

It is a receipt that NODA members receive for each hour of volunteering with NODA. They come in one dollar and four (4) dollar denominations. NODA Bucks can be used for schooling show entry fees and for other NODA activities. Four NODA Bucks, earned during the current Competition Year, are required for each horse-rider combination for year-end awards. See the Awards Program section in the back of this pamphlet for further details.

### **How do I volunteer?**

Contact Sally Burton at: [schoolingshow@nodarider.org](mailto:schoolingshow@nodarider.org) or 440-221-7544.  
On line signup at [www.SignUpGenius.com](http://www.SignUpGenius.com)  
Further information at [www.nodarider.org](http://www.nodarider.org) on the SCHOOLING page

### **What is the difference between a Junior and a Junior/Young Rider? What is the difference between an Amateur and a Professional?**

NODA follows the definitions established by the USEF and FEI (the organization

that establishes rules for international competitions such as the World Cup and the Olympics). The USEF defines a junior as “an individual who has not reached his 18th birthday as of December 1st of the current USEF competition year.” In other words, if a rider was still 17 on December 1st, 2018, s/he gets to show as a junior until December 1, 2019. (USEF membership cards would actually have “Junior” printed on it.)

The FEI recognizes dressage riders aged 16-21 as “Young Riders”. The confusing part is that this age group is based on the calendar year instead of the competition year. In other words, these riders are identified as “Young Riders from the beginning of the calendar year in which they reach the age of 16 until the end of the calendar year in which they reach the age of 21.”

All Juniors are not Young Riders-- and all Young Riders are not Juniors. For all practical purposes, many dressage shows in the United States (both schooling and recognized) will offer a combined Junior/Young Rider division for riders 21 years old or younger. If a rider turns 22 in 2019, s/he can no longer show in this division.

(Some more confusion—When 18 year old riders joins the USEF, they have to declare themselves as either an amateur or a professional. However, they can still show in the Junior/Young Rider classes in dressage shows.)

So once adult riders have aged out of the Junior category, they must declare themselves either as a Professional or as an Amateur. Professionals are basically defined as individuals who have accepted payment for teaching, training and/or riding horses. (For further details see USEF rule book GR1306). Those who are not professionals can show in Amateur classes.

If you have any questions about your status as an amateur or professional, please contact the show manager.

### **How can I ride the same test twice?**

The first time you ride the test it will count for the class and awards. The second time it must be ridden hors concours and the score will not count.

### **Tell me how can I qualify for NODA’s Championship show!**

You can earn a qualifying score at any NODA schooling show except for the Saturday show in October. To qualify, you must have met the following criteria.

- \* Become a NODA member prior to receiving your qualifying scores.
- \* At Intro through First levels (classical or western), get two scores of 63% or above (per division) at two different NODA shows.
- \* At Second Level and above (classical or western), get two scores of 58% or above (per division) at two different NODA shows.
- \* In Equitation (classical or western), get two scores of 70% of above at two different NODA shows.
- \* Volunteer for one shift (4 hours) at a NODA Schooling Show (proxies are acceptable) in the current competition year for each horse/rider combination. If you show more than one horse, you must have 4 volunteer hours for each horse.

### **Can I earn both of my qualifying scores at one show?**

NODA now requires that you must earn your scores at two different shows. However, scores from both judges at any one schooling show may be used for year end awards.

### **What is the purpose of the October Saturday show if I can't use scores from this show to qualify for the Sunday Championship show?**

The schedule from the championship show must be completed and ride times posted before the Saturday show even begins. There would not be enough time to change Sunday's schedule to squeeze in the additional riders who might qualify on Saturday.

If you are planning to show on Sunday, the Saturday show allows you the opportunity to ride a test in the arena in front of the same judge(s) who will be officiating on Sunday. Even if you did not qualify for the championship show on Sunday, you may still submit scores from the Saturday show for the end of the year awards

### **What is the difference between the October Championship show and Year End Awards?**

The Championship show requires NODA members to qualify at two different NODA schooling shows with scores from two different judges and is used to determine the best horse-rider combination in a single head to head competition. The Year End Awards program allows NODA members to submit scores from other eligible local shows not run by NODA. The awards honor excellence in achievement throughout the entire competition season.

### **Will there be a professional photographer at the schooling shows? How do I sign up?**

There may be photographers at some of the shows. Information can be found on the NODA website.

*Formal Glory*

Formal Glory, LLC is all about you, our client, and your Equine/Canine friend. We want to provide you with a quality piece of equipment that enhances your friend's features and beauty. Our products include halters, lead lines, dog collars, washers, browbands and much more. Each item is hand-crafted by us and comes with a LIFETIME warranty. If it ever breaks, we will either repair it or make a new one for you! The leather is an American hide tanned in America by Hermann Oak. It is so close as you can get to English Bridle while using an American product. It is soft, supple and has a beautiful finish. We currently offer our products in black, Chestnut or Havana. The beads are semi-precious gem stones such as amethyst, turquoise, Jasper, mother of pearl and many more. They are accented with Swarovski Crystal and gold or silver colored beads as an added touch of elegance. Formal Glory, LLC is a family owned, Christian company that is founded on values. We believe the client is always right and a handshake is a legal binding document to us. Let us make something beautiful for you!
