Greetings from the President

Hello and Happy New Year!

I sincerely hope everyone had a wonderful December and Holiday Season. The weather started a bit colder than normal but then got warm just before Christmas? Go figure, it's OHIO! But, when you're with family and friends it doesn't seem too bad. I attended the USDF annual convention in Salt Lake City, Utah in the beginning of December which was interesting. The best part of the convention was the election of two of our own to board positions. Lisa Gorretta is now the USDF President and Debby Savage is our new USDF Region 2 Director. I know we are in great hands now!

Barb Soukup & Hero

At the convention the hottest topic before the board was the "Extraordinary" rule change for Freestyle qualification (increasing the score to 63% from 60%). Many good arguments were discussed from both sides of the issue. Many members voiced their concerns to their GMO or PM delegates who presented their messages and put forth a new motion to the board. The motion was for USDF to go back to USEF and request another "Extraordinary" rule change to rescind the rule increasing the qualification score from 60% to 63%. A vote was taken, and the motion passed. However, for the current 2019 show season this rule is now in effect; you need a score of 63% at the highest test of the level you intend to ride your freestyle. Competitors need to keep an eye on USEF for any news on rule changes to be current or know of any new changes.

NODA had a very successful and rewarding 2018. Our Recognized Shows at the newly improved Chagrin Valley Farm were enjoyed and attended by many beautiful horses and riders. Our Schooling Show Series was popular and often filled before the closing dates! The Championship Show was very large requiring some quick thinking by the great committee of Sally Burton and Niki Sackman to add the outdoor ring and judges to accommodate everyone as best as possible. Last but certainly not least was the ever popular Ride-a-Test clinic featuring two judges and we are planning another one next July. 2018 activities concluded with a fantastic Awards Banquet. It was a bang-up great time! The committee of Patty Keim, Halle Clause and Sally Burton outdid themselves with this one. Many heartfelt thanks for their hard work. Pictures are included in this newsletter and will also be on our website and Facebook page soon.

Now onward to a full plan for 2019. The first event for your education and enjoyment is the New Test symposium January 5th at Lake Erie College equestrian center. A reminder to sign up for the USDF Region 2 Schooling Show Awards Program as well. Congratulations to our members who won 2018 Region 2 awards and were a great representation of NODA. Please remember that for schooling shows scores to be recognized for NODA awards, they must be on our website calendar with an USDF L Certified or higher judge. If you are attending a show that is not listed, please contact the respective show management and ask that they get it on the calendar. It is easy to get any horse events on our website calendar by e-mailing webmaster@nodarider.com. Our website is a great way to stay current and should be a frequent stop for all NODA information as it is updated frequently. Many 2019 clinics and shows are already on the website Calendar. Also all the current tests (USDF, USEF, WDAA and FEI) are on the Tests page!

NODA Professionals!! We have professional grants available to YOU for use to help defray the expense of an educational seminar or other USEF, USDF event, program or function. Check out our website for the forms and more information on the <u>Scholarships</u> page.

2019 is our 50th anniversary year, and we're planning on adding more special events. Sign up or renew your <u>Membership</u> today. You don't want to be left out of any of the opportunities NODA has, and will have, available to our members!

Happy New Year to All,

Hopefully you've read that 2019 is bringing some changes! With new tests, new fees, and a new venue, we hope to bring even more fun to our competitors. We will be working on the Prize List so it can be mailed in early spring to NODA members. Until then, the show series schedule is available on NODA website and in this newsletter so you can start planning!

Some friendly reminders as you start planning your 2019 show season:

- Please plan to register online to avoid getting closed out of a show at <u>www.HorseShowOffice.com</u>. We accept entries by US Mail, but prefer all entries be submitted online.
- The volunteer Sign up Genius will be available in February for anyone who wants to sign up volunteer at a specific show early. Remember that you will need to volunteer a full shift for each horse you plan to take in the Championship show, so please plan ahead. You do not need to send in NODA bucks- we track our volunteers.
- Remember NODA raised the requirement to qualify to 63% through 1st level and 70% for equitation. 2nd level and above remain at 58% to qualify.
- Please plan to budget for the increased feesequitation class fee \$15, all other class fees \$25, and the office fee is \$15. The extra money will ensure that we can continue to bring in quality judges of all levels to our shows. We run a quality show for reasonable costs! Remember we are adult amateurs too!
- ALL tests will be ridden in the large ring this season.
 We will continue to schedule the upper levels first but moving all tests to the large ring gives us more flexibility in scheduling rides.

Greetings from long time members who are now far away but still subscribe to NODA News!

Rosemary Rufo (Florida): Still working from home and loving the job and living in Florida. Every day, in the wee hours of the morning, I take a bike ride around our really nice community. I spend my lunch hour in the pool and golf a few times a week. We live in the "pet section" but they will only allow a 30 lb. horse if I can find one. I now have a permanent tan! I need a horse fix and trying to get a group together to go ride the C Ponies in the bay waters and beach at St. Pete. I think fondly of the Sunday lessons and rides at Dale Lappert's Rivendel Farm and how quickly time has flown by. Best wishes to all my NODA colleagues!

Bob Weston (California): Retirement is great. Robin's dog sitting business is booming, we always have dogs at the house with varying degrees of excitement. I hike once a week with the Sierra Club, do a class of "The Great Courses" and am starting up piano lessons again. And I can always find something to fix. All the best!

Historical Archive

NODA was founded in 1969 so 2019 is our 50th Anniversary Year!

The earliest recorded NODA Meeting Minutes in the NODA archives are from 1971.

They are presented here in their original form created on a typewriter.

The original of these Minutes is on faded and fragile paper. It has been scanned for preservation in our NODA Historical Archives.

Minutes of NODA Meeting February 4, 1971

The NODA Executive Board met at Red Raider Camp for a luncheon meeting on Thursday, February 4th.

The main item of business was the scheduling of a Musical Ride and Pot Luck Supper-Business Meeting for the general membership. This will be held at Red Raider Camp on Friday, February 26th at 7:30 p.m. Horses will be available for rent at a cost of three dollars. All participants will be urged to rent horses rather than bringing their own, due to uncertain weather and driving conditions. It was decided to limit the number of reservations for the ride to the first ten people responding. This number may be increased to twenty if the need arises.

Suggested for the agenda of the meeting of the general membership was a discussion of the feasibility of a series of weekly dressage workshops to be held on both the East and West sides and the possibility of more informal competitions such as were held last summer.

Sue Jones, chairman, suggested that we become the coordinating body for "horse activities" in the area. We shall try to avoid scheduling conflicts and to publicize the happenings of each month through the PHA Newsletter. With this thought in mind, the following dates were mentioned;

February 19th - Lecture at Lake Erie College February 20th - 2nd meeting of Junior PHA

February 26th - NODA Musical Ride, Pot Luck, & Meeting March 6th - First Dressage Competition at Lake Erie

With instructions that these minutes be condensed and submitted to Mrs. Gregg for the PHA Newsletter, the meeting was adjourned.

Respectfully submitted,

mary Beth Jame
