NEXT MEETING

Greetings from NODA's President; Niki Sackman

Hello to NODA members and friends,

2020—WOW! How did we get here? Hard to believe that NODA celebrated its 50th anniversary last year. As we move into a new decade, NODA is in the process of designing a new website and hopefully offering even more online services. We will continue to offer online membership, show entries and are exploring offering online banquet reservations, and possibly the ability to upload applications for year end awards, to name a few. Our new webmaster Lesley Matt is already hard at work redesigning the website.

Congratulations to all of you that participated in the annual awards banquet and for all our wonderful volunteers and sponsors. Save the date of November 22, 2020 for this year's banquet.

Thank you to everyone that voted in our first online election. We had a record number of voters and plan to continue to offer this service in the future.

May 2nd and 3rd, NODA will be offering a Western Dressage clinic at Brecksville Stables in Cleveland Metroparks. Details should be forthcoming soon. We will once again be offering a Ride-a-Test Clinic and the Dressage Camp for Adult Amateurs as they have both been popular events in the past.

Another big announcement for 2020 is the date change for the NODA Recognized Shows. We have moved the dates to June 27th and 28th. Maybe we can be lucky enough to have decent weather by moving the date from our traditional weekend in July when it always seems to be 100° F or a monsoon! At this time we are planning a two ring show (or three pending the number of entries), which will hopefully allow for a larger warm up area. Watch for upcoming announcements as I know the committee is working hard. Please consider supporting the shows by showing, volunteering and sponsoring the shows. In order to continue offering a local recognized show, we need your support—especially sponsorships. Without sponsorships, we may not be able to offer this event in the future.

The Schooling Show committee has been hard at work securing judges. Venues and dates have been posted on the NODA website and page 20 of this newsletter. As the season gets closer more information will be available as will be the 2020 Prize List. Make sure to review the prize list as that is a valuable source of information.

Lastly, I am looking forward to serving in the position of President and welcome input from the membership. Volunteers make our organization great and there are many volunteers that work behind scenes and give many hours working on events, clinics, shows, newsletter, website, awards, banquet...and all things NODA. Thank you to all of them! If you would like to be involved please contact myself or a member of the board. There are many committee opportunities for those who want to be involved. Looks like 2020 will be a busy year with a variety of events and I look forward to seeing you!

Stay warm,
Niki Sackman
President

2019 Lifetime Achievement Award - Dee Liebenthal

NODA created the Lifetime Achievement Award because there are some of you who literally spend over a hundred hours a year helping NODA—year, after year, after year.

The Lifetime Achievement Award was created in 2011 to recognize and honor individuals who have devoted countless hours of service to NODA in the pursuit of excellence, both to NODA and to our sport of Dressage. The Lifetime Achievement Award recognizes those in the spotlight and the volunteers in the trenches, quietly just doing the work. It would be the person you think of when you want something done, or someone who would remember how it has been done in the past, or someone who served years doing our committee work.These are important people and should be remembered and honored.

This year's recipient of the Lifetime Achievement Award personifies the contribution of a huge amount of time and knowledge to NODA and one who knows the trenches very well. The 2019 Lifetime Achievement Award winner is Dee Liebenthal.

Dee has ridden horses most of her adult life. Her children got interested in riding in the 1970's and horses in several disciplines was a family thing. I just found out recently that Dee exercised polo ponies for the Cleveland Polo Club in the early 1980's! She got serious about dressage soon after that at Dale Lappert's. Dee has owned an Arab,

a Thoroughbred, a horse named Sherman, and finally; her 4th horse Rens, the love of her life, who competed at FEI levels with Dee's granddaughter Ashley Rand.

Dee was NODA Treasurer from 2000 to 2007. She was Education Chair 2006 to 2009, remained active in Education activities, and again, this year was instrumental in organizing and running the USDF Learner Judges program.

She was Vice President and Recognized Show Chair in 2008 and 2009. And Dee has continued to make the Recognized Show happen every year since 2009!

She was President of NODA from 2010 to 2017. Dee is also the person who got NODA into Big Dee's Bonus Bucks program which has helped NODA tremendously – and gotten us some of these nifty raffle gifts!

For the last two years, 2018 and 2019, Dee has been

Parliamentarian, Treasurer, Facebook co-admin, and most importantly advice giver. Whenever anyone has a question, Dee knows the answer!

This year, 2019, Dee was awarded the USDF Region 2 Volunteer of the Year Award. *Dee has spent 20 years giving time and expertise to NODA! Congratulations Dee – you are now a Lifer!*

2019 Edy Ujcz Partnership Trophy, Sponsored by Regina Sacha-Ujcz

Matt Valencic

I would like to nominate my husband (Matt) for your award. I am long overdue in honoring him for 30 plus years of support and encouragement in my horse endeavors. Even before we were married, he promised to help me buy a horse someday when finances were better. Fifteen years and three children later, he fulfilled that promise and supported my purchase of a \$500 ex polo pony, who turned out to be a gem of a first horse.

He listened attentively as I droned on and on about horses and even came on trail rides, walking along side of us on foot. He made many visits to the barn with me and learned how not to be afraid of this huge animal. Even though he was intimidated, he handled my horse because he wanted to help me.

He has been at all but one of my shows over the years and has photographed and videotaped hours of riding when I know he had better things to do with his time. He has talked me off the ledge when I felt inept and overwhelmed in my riding, and offered encouragement every step of the way. When I presented the idea of buying property and building a barn, he was there alongside of me. I shudder to think of the mistakes we almost made buying the wrong land. He had so much faith in my vision! I am not sure he should have trusted me as much as he did. There is no farm chore he will not do. He often gets up before me to clean stalls, feed and turn out the horses. He repairs broken fences, plows the drive, rakes the ring, improves the trails, spreads limestone, and does everything and anything that needs done. He told me he even enjoys it. Phew, I don't know what I would do if he didn't. I depend on him for all the heavy tasks I cannot do. He has encouraged me to travel overseas with my brother and holds down the fort. The place looks better than when I am here everyday! Years ago, he attempted to ride, but it was not part of his DNA, if you know what I mean. I would never have forgiven myself if he got hurt. He is quite content to be on the ground next to a horse or admiring his beauty

Matt and Patti Valencic

from across the pasture. Three years ago, I asked if he could volunteer at the summer NODA show at Chagrin Valley Farms. I told him we would be checking people and horses in and directing them to park trailers. A few minutes in, he decided that it would be great to help people unload and take their tack to the stalls. He commandeered the golf cart and pitched in. Here was a man in his sixties, trekking back and forth for several hours in 90 degree heat carrying heavy loads. (He is in good shape because of all the physical work he has done on the farm over the years). He al-

ways goes above and beyond. He is organized and friendly, and competitors welcomed his help, along with the rest of the volunteer team.

Up until this summer he had never driven the truck and trailer with a horse in it. He was happy to leave that to me. He would borrow it to haul mulch and lumber and help people move furniture, but if I was available, he wanted me to drive. Two months ago, I was recruited to be a last minute substitute demo rider for the "L" Program. Since I was at the farm volunteering all day, I needed to ask him to bring my horse to me- a 40 minute drive from home. He had helped me load horses dozens of times over the years, and I knew he could do it. He never hesitated. He showed up exactly at the time he was supposed to and was very proud of himself. I was extremely proud of him too. He has come so far on this horse journey.

I asked him to tell me if the farm is getting to be too much for him. He reassures me that he is happy to share this dream with me. The best part of the day for us is tucking the horses in at night. Tony gets lots of love and face rubbing from his human dad. They have a special bond.

I hope you will consider Matt for your wonderful award. He truly has earned it, and I would love for him to receive recognition beyond my own flimsy attempts at showing my appreciation.

With gratitude, Patti Valencic

The

DRESSAGE FOUNDATION

Join The Dressage Foundation for our 30th Anniversary "Favorite Horse Fundraiser!"

Carol Lavell first told us the story about her beloved Gifted during our 10th anniversary year in 1999. She helped us kick-start the "Favorite Horse Fundraiser" as a way for riders to recognize their equine companions and help the Foundation at the same time.

Now, in honor of our 30th anniversary, we would love for you to join us in this year's "Favorite Horse Fundraiser!"

Your donation to our 30th Anniversary "Favorite Horse Fundraiser" will give you the opportunity to recognize your equine partner in a special way. When you send your donation, be sure to tell us why your horse was special – or still is.

Your horse's name will be then added to our [online "Book of Memory"](#) and your donation will be used to help the sport you love.

Questions? [Learn more about The Dressage Foundation here](#) or contact Jenny Johnson, Executive Director, at (402) 434-8585 or jenny@dressagefoundation.org.

The Dressage Foundation is a 501(c)(3) non-profit, tax-exempt organization, whose mission is to cultivate and provide financial support for the advancement of dressage in the United States.

From Your Editor

Dear NODA members and friends,

It has been a pleasure to design, edit and format the newsletter in 2019 with three goals in mind. First to highlight NODA's wonderful volunteers and those whose work behind the scenes brings you excellence in education, competition, and fun with your horse.

A second goal has been to share member successes and joys in their journey's with their equine partners. I appreciate everyone who wrote an article or shared photographs of their horses and would like to continue this in 2020. *Be thinking of what you can contribute.*

Finally—my goal has been to document the educational activities, celebrations, competitions, sponsors, and camp so that along with the minutes, there is a record of NODA's year archived in the newsletter.

The Issue 1, 2020 edition was particularly hard to format and match up captions and photos. *If I have left something out or made a mistake, please let me know and I will highlight the correct information in Issue 2.* More banquet fun will also be highlighted in Issue 2!

Wishing each of you a healthy and productive 2020!
